WILDFIRE

HOME ASSESSMENT TRAINING

*Brought to you by the Berrien County Firefighter Training Committee
& New Buffalo Township Fire Department*

October 12-13, 2024

9:00am – 5:00pm EST on Saturday, October 12
9:00am – 2:00pm EST on Sunday, October 13

New Buffalo Township Fire Station #2

18959 US-12
New Buffalo, MI 49117

The course is free and open to anyone wishing to learn more about wildfire home assessments.

What to Expect

Day 1 - Classroom Session

You'll learn the fundamentals of assessing a home and working with residents to make their property more resilient to wildfires.

Day 2 - Hands-on Training

Put it into practice! You'll evaluate a home in the community to gain a better understanding of a home assessment and put classroom knowledge into action.

Provisions

Lunch and other provisions will be the responsibility of each attendee. Local restaurants are available, or attendees can bring their own lunches/snacks if preferred.

Questions

Contact Corey Burks at cburks265@gmail.com

About the Training

The Wildland Fire Assessment Program (WFAP) will teach you how to work-side-by-side with homeowners to identify threats around their property that may be susceptible to wildfires. The WFAP is a joint effort between the National Volunteer Fire Council and the U.S. Forest Service to prepare fire department members with the necessary information, skills, and resources to conduct home safety assessments and provide residents with recommendations as to how to make their homes more fire adapted in the wildland-urban interface. Learn more about WFAP at www.nvfc.org/wfap.
